

Dear Parents and Carers,

Staff update

We are very lucky to have a fantastic team of staff at St Christophers Academy, including some fantastic staff who joined us in September. I'm very proud of the collective ambition and commitment that is shown by our team. Two members of existing staff who have been instrumental in delivering an inclusive education to our children are Mrs Chandler and Mrs Young, both teaching assistants.

Sadly, both Mrs Chandler and Mrs Young will be leaving us this term. Mrs Chandler will be moving onto pastures new, and Mrs Young will be leaving us to take her retirement. I am so grateful to both for the contributions that they have made to our community, but I would like to say an extra big thank you to Mrs Young, who has been supporting children at St Christophers Academy for the last 25 years! This is an incredible achievement and one which we would like to mark later in the term. We will be in touch with the details closer to the time.

As always, should you have any questions, please do not hesitate to contact Miss Hayes or me.

Yours sincerely,

Mr Clarke
Executive Principal
