Subject: Exciting EYFS Activities Starting After Half Term

Dear Parents and Carers,

We have some fantastic news!

All Tapestry issues have been resolved, so we can start sharing your child's learning and observations after half term. Parents are also welcome to add their own observations from home, and we strongly encourage this- for example: you might share a photo or note about your child reading their favourite book, counting objects around the house, helping with cooking, exploring nature, practising writing their name, or showing kindness to others.

We are also excited to announce, we will be bringing back some favourite activities:

Fun Fridays - 9:00–9:45am

Join your child for science experiments, cooking, and hands-on fun. Family members are welcome in at this time to take part and support learning

Wow Wednesdays- 2:30–3:00pm

Each week, we invite parents, carers, or family members to join us for *Wow Wednesday!* It's a wonderful chance to share a special skill, hobby, or interest with the children- for example:

- Reading a favourite story
- Teaching a song or rhyme
- Showing a simple craft or recipe
- Talking about your job, culture, or a celebration
- Sharing a hobby like gardening, music, or sport

Please speak to a member of the class team to arrange your turn. If Wednesdays don't suit you, we'll try to find another time. The children love learning from your experiences!

If you have any questions or concerns, please do not hesitate to contact us. We can't wait to see everyone involved and make EYFS learning even more exciting!

Warm regards,

Ms. Chilakapati
EYFS Lead
