				In Place	Adequate
Vulnerable staff (including pregnant workers).	Vulnerable staff	Contracting Coronavirus resulting in serious illness or death of member of staff or pupil	<p><u>Clinically extremely vulnerable</u></p> <ul style="list-style-type: none"> <li>• CEV staff would have received vaccine and are permitted to return to work – shielding lifted</li> <li>• RA completed where appropriate</li> <li>• Since the 1 April, those who are clinically extremely vulnerable (CEV) are no longer advised to shield. Updated advice is for the group to continue taking extra precautions to protect themselves, and to follow the practical steps set out in the CEV guidance to minimise their risk of exposure to the virus. Staff in schools who are CEV are advised to work from home where possible, but can attend their place of work if they cannot work from home. CEV individuals (over 18) were prioritised for vaccination in phase 1 before the general population and in line with the priority ordering set by the Joint Committee on Vaccination and Immunisation</li> </ul> <p><u>Clinically Vulnerable</u></p> <ul style="list-style-type: none"> <li>• Complete individual risk assessment for staff who are clinically vulnerable and have requested a RA.</li> <li>• Pregnant staff review working arrangements and carry out or update pregnancy risk assessment following the Royal College of Obstetrics and Gynaecology (RCOG) occupational health advice for employers and pregnant women.</li> <li>• Follow advice for women from 28 weeks gestation or with underlying health conditions who may be at greater risk. Employers and pregnant women should follow this advice and to continue to monitor for future updates to it.</li> <li>• CV staff can continue to attend school. While in school they must follow the system of controls to minimise the risks of transmission.</li> </ul>	Y	Y
Vulnerable Children Isolating	Children who have tested positive or who live with someone who has tested positive and required to self-isolate	Lack of contact / isolation emotional and mental wellbeing and loss of education	<ul style="list-style-type: none"> <li>• Where pupils who are self-isolating are within the DFE definition of vulnerable. We will follow procedures to keep in regular contact with them, ensure they have access to remote learning and notify any services where/if applicable.</li> <li>• This will be registered as an authorised absence following provision of NHS track and trace isolation notification email or text,</li> </ul>		

Hazard / Risk	Who is at Risk?	How can the hazards cause harm?	Proposed Control Measures	Are Control Measures Y/N/NA	
				In Place	Adequate
Staff who are at higher risk	Staff – That have been informed via their GP they are at higher risk	Higher risk of covid and severe illness	<ul style="list-style-type: none"> <li>• Current evidence shows that a range of factors mean that some people may be at comparatively increased risk from COVID-19. Staff who feel they may be at increased risk but who have not been identified as clinically extremely vulnerable can attend school as long as the system of controls set out in this guidance are in place. You should continue with an equitable approach to risk</li> <li>• Staff who live with those who may have comparatively increased risk from COVID-19 can attend the workplace where it is not possible to work from home</li> </ul>	Y	Y
Living with a shielded or clinically vulnerable person  Staff or pupil	Staff, pupils and families of those attending school	Contracting Coronavirus resulting in serious illness or death of member of staff or pupil	<ul style="list-style-type: none"> <li>• If a child, young person or a member of staff lives with someone who is clinically vulnerable (but not clinically extremely vulnerable), including those who are pregnant, they can attend their education or childcare setting.</li> <li>• If a child, young person or staff member lives in a household with someone who is extremely clinically vulnerable, as set out in the COVID-19: <a href="#">COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable</a>, shielding now lifted – they can attend school</li> <li>• Staff who live with those who are CV can attend the workplace but should ensure they maintain good prevention practice in the workplace and at home.</li> </ul>	Y	Y
Pupils who are clinically extremely vulnerable or self isolating	Pupils and Staff		<ul style="list-style-type: none"> <li>• Pupils no longer required to shield but who generally remain under the care of a specialist health professional – review and update their care plans before returning to school (usually at their next planned clinical appointment). Following guidance from the <a href="#">Royal College of Paediatrics and Child Health at COVID-19</a> - 'shielding' for children and young people.</li> </ul>	Y	Y

Hazard / Risk	Who is at Risk?	How can the hazards cause harm?	Proposed Control Measures	Are Control Measures Y/N/NA

				In Place	Adequate
Supply staff, peripatetic teachers, contractors and visitors, volunteers moving between schools spreading the virus between different schools and bubbles	Staff and pupils	Spreading of the virus leading to illness and death	<ul style="list-style-type: none"> <li>• Visitor and contractor procedures in place to ensure they follow schools arrangements</li> <li>• Obtain COVID19 risk assessments from key contractors such as catering providers and how they manage deliveries.</li> <li>• Record of all visitors, including contractors to the site for Track and Trace.</li> <li>• All visitors, supply staff and contractors to follow social distancing measures and maintain 2m from staff.</li> </ul>	Y	Y
Prayer rooms	Pupils and staff	Spreading of the virus leading to illness and death	<ul style="list-style-type: none"> <li>• Individuals should be prevented from touching or kissing objects that are handled communally. Barriers and/or clear signage should be put in place where necessary to avoid this taking place.</li> <li>• Individuals should also avoid touching property belonging to others such as shoes which, if removed, should be placed and collected by their owner while adhering to social distancing principles.</li> <li>• Reusable and communal resources such as prayer mats, service sheets, religious texts or devotional material should be removed from use. Single use alternatives should be provided as long as they are removed and disposed of by the worshipper.</li> <li>• Items owned by the individual to aid worship such as a prayer mat or religious text, can be brought in but should be removed again by the worshipper.</li> <li>• In circumstances where worshippers cannot bring their own books, places of worship should keep a selection of clean books for individuals to use. Clean books should be quarantined for 48 hours since their previous use and should be quarantined for 48 hours again after use. Items which cannot be easily cleaned should also be subject to the 48 hours quarantine after use.</li> <li>• This could mean that students/staff are asked to bring in their own prayer mat to use and separate prayer rooms provided to each year group and for staff to be able to socially distance.</li> </ul>	Y	Y
Any other hazards			<ul style="list-style-type: none"> <li>•</li> </ul>		

New INDIAN variant of COVID19 that may be more transmissible.	Staff, pupils, families of staff and pupils attending school	Increasing spread of Virus resulting in time off work or away from school (loss of education). Death of member of staff or pupil or extended family of those attending school.	<ul style="list-style-type: none"> <li>• Access to current accurate data on local rates of transmission</li> <li>• Daily review of COVID19 cases in school</li> <li>• All school staff and visitors to wear face coverings in communal areas such as offices and corridors where social distancing cannot be maintained.</li> <li>• Government to offer surge testing in school if new Indian variant identified.</li> <li>• For every group, testing is voluntary, but those who are eligible for tests are strongly encouraged to participate to reduce the risk of transmission within schools and colleges.</li> <li>• Parents to wear face coverings within school grounds when dropping off or picking up pupils.</li> </ul>

Risk Assessment Action Plan

Following Covid19 Hierarchy of control

<b>Control measure not yet in place or Additional Control Measures</b> <i>(to take account of local/individual circumstances including changes such as working practices, equipment, staffing levels).</i>	<b>Action by Whom</b> <i>(list the name of the person/people who have been designated to conduct actions)</i>	<b>Action by When</b> <i>(set timescales for the completion of the actions – remember to prioritise them)</i>	<b>Action Completed</b> <i>(record the actual date of completion for each action listed)</i>	<b>Residual Risk Rating</b>
LFT – Lateral flow testing now in place and offered to all staff. Results registered with NHS and kept in house. Positive test results to be followed up by a PCP test	All Staff	LFT RA completed and staff informed	Rt 11/5/21	Low
Lateral flow tests available to all – Free	General public/ pupils	N/A – We recommend testing to parents and visitors	RT 11/5/21	

<b>Reviewed by:</b> <b>Signature:</b>	<b>COMMENTS:</b> <i>Record any comments reviewer wishes to make. Including recommendations for future reviews.</i>
<b>PRINT NAME:</b>	

RESIDUAL RISK RATING	ACTION REQUIRED
<b>VERY HIGH (VH) Strong likelihood of fatality / serious injury/illness occurring</b>	<b>The activity must not take place at all.</b> You must identify further controls to reduce the risk rating.
<b>HIGH (H) Possibility of fatality/serious injury/illness occurring</b>	You must identify further controls to reduce the risk rating. Seek further advice, e.g. from your H&S Consultant
<b>MEDIUM (M) Possibility of significant injury or over 7 day absence occurring</b>	If it is not possible to lower risk further, you will need to consider the risk against the benefit. Monitor risk assessments at this rating more regularly and closely.
<b>LOW (L) Possibility of minor injury/illness only</b>	No further action required.
