Join us for Fun, food, messy play, outdoor games, movie nights, arts and craft and much more ...

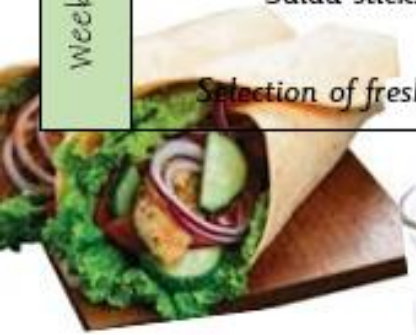

We offer a wide range of activities which vary from week to week. In good weather we like to make use of our large outside area.

If we're unable to go outside, we use the hall for activities, art, music and dancing. We have a large selection of board games, Lego, cars, computers, arts and craft activities which are available daily for children who may not wish to participate in the outdoor activities.
